Family Altar: Foundation, Fuel, and Future - Shani McKenzie

Family Altar:

An intentional, frequent time of prayer and communion with God, together with family and/or those close to you.

Key Scriptures:

1. Deut 11:18-21, Acts 16:25-34, Exodus 12:24-29, Luke 11:1, Matthew 18:18-19, Job 42:7-10

Reflection Questions:

1. Take a minute to think about your family altar:
 - a. Write down what you envision it to be: what does it look like, what does it sound like and what are the results you'd want to see from it?
 - b. Ask God what steps you can take to make that vision a reality and make a note of them.
2. If you are single or live alone, who can you establish a prayer altar with and how can you go about establishing that?
3. What are the things you believe are standing in the way of you having a family altar, or improving an existing family altar? Ask God to give you solutions for those things, make note of them and take action on them.
4. What are the issues affecting your family, friend group or the world that you've talked about but not necessarily leaned into prayer about? How could family altar time impact those things?
5. How can family prayer be helpful as you face the realities and challenges of our day?
