

# UCJC REFLECTION QUESTIONS

SUNDAY, May 8, 2022 | SERIES: THE WORD OUR FOUNDATION

Title: Seed & Soil - Minister Marilyn Riggins

---

**Key Scriptures:** Isaiah 53:5, Mark 4:3-20, 3 John 2:2

**Reflection Questions:**

1. If the Word of God is like a seed, what things can you do to water, cultivate it, and make it bear fruit in your life?
2. What are the actions you are taking, or words you are saying that line up with something other than God's Word?
3. Why must we actively seek and accept the Word to truly see its benefits in our lives?
4. Minister Riggins said, "the landing spot will determine the seed's crop (harvest)", and reminded us of the limitless possibilities of what a seed can become if planted in good soil. How will you fertilize your thinking? What thoughts need to be weeded out so that you can be more fruitful?
