## Reflection Questions:

1. God deals with sin because of how it affects our relationship with Him. If **we** truly value intimacy in our relationship with God, how should we deal with our sin?
2. Are there any areas where you have allowed unforgiveness to remain? Considering Matthew 6:12, why is it important to allow God to help you work through unforgiveness, division and bitterness?
3. Pastor indicated that we can side with the enemy based on how we handle disagreement and offense. List some ways we can disagree in a Christ honoring manner and work through offenses.
4. Read Matthew 6:25-34. What are some takeaways that help you trust the Father's heart toward you as you pray concerning your needs?
5. In thinking about "Connection, Integrity, Excellence, Influence", Pastor provided Joseph, Daniel and Esther as examples of how living in alignment with God increases your influence. In order to increase your influence, what thoughts, actions or habits do you need to change?

# A Prayer of Intercession Against Unforgiveness

By Pastor Harold McKenzie - Based on Colossians 3:8,12, & 14

---

Lord Jesus, help us to rid ourselves of unforgiveness, anger, wrath, malice, and slander.

Help us to actively embrace hearts of compassion, kindness, humility, gentleness, and patience.

Help us to bear with others and forgive one another as You have forgiven us.

Above all, help us to put on love like a close garment, because love helps us bear graciously with the sins of others, and bonds us together in perfect unity.

As this prayer is manifested in and through our lives, cause the world to see You and receive Your salvation. In Jesus' name!
