1. In what ways might you be thinking that the Gospel, the truth, is not relevant or sufficient for some issue or area of your life or the world?
2. According to Ephesians 1:17-18, Paul was a passionate vessel of revelation to the Ephesians. Who in your life can you be used to reveal God's wisdom and truth?
3. In what ways does your commitment to Father reflect Shadrack, Meshak and Abednego's "Even if he doesn't" attitude? In what ways could your commitment be better?
4. Two great comparisons were given today in regards to responding to the revelation of God's word: Consider your life's walk, have you been (or are you being) dismissive (Nebuchadnezzar) or responsive?
5. Knowing that everything you are exposed to impacts your spiritual health, what are you feeding yourself, spiritually and otherwise?
6. When God repeats things to us, why should we pay attention? What is God repeating to you that you need to slow down and pay attention to?
