Reflection Questions:

1. Father recreated us in Christ to do dynamic things for Him. How can the functions of the Holy Spirit mentioned by Pastor Mac help us do these dynamic things?
2. Many people ponder these questions: who am I, why am I here, do I have any value? How can the truths found in Romans 8:15-16(Amp), Ephesians 2:10(Amp), and Psalm 139 encourage us and lead us to the answers we need?
3. Galatians 5:22-25 is an example of one of the ways the Holy Spirit actively works in our lives to shape us for God's plan and purpose. Read this passage and discuss or reflect on what it means in your life specifically.
4. The Holy Spirit is the "S" in our S.H.A.P.E. Who is the Holy Spirit to us, and what are some of the ways He functions in our lives? See Ephesians 1:13, John 14:16-17 and Romans 8:11, 15-16.
5. As we consider the importance of the Holy Spirit in our lives, what role does having an active relationship with God play in maximizing His effect in our daily living?
6. List at least 3 ways you can help others thrive in their shape?
