

# UCJC REFLECTION QUESTIONS

SUNDAY, June 26, 2022 | SERIES: THE WORD OUR FOUNDATION

Title: The Word Made Flesh - Pastor Vernon Davis

---

**Key Scriptures:** John 1:1, Genesis 1:1-4, 2Timothy 2:15

## Reflection Questions:

1. What things can you do to move from trying to attain the promises of God to living in them?
2. How often do you open the promise filled envelopes from God's word: monthly, weekly or daily? When you do read it, do you believe it, claim it, and apply it as intended?
3. As Pastor Vernon encouraged us, perform a self-assessment:
  - a. Are you aware of God's promises from His word to you as His child? What can you do to make sure you are?
  - b. Are you able to consume and digest more than milk - the deeper, weightier things of God's word? What can you do to improve your capacity for the meat of the word?
4. We are Father's ambassadors on earth. How well are you living up to His expectations:
  - Do people see Jesus through your life (words, actions etc.)?
  - Do you exercise the same authority that Jesus had?
  - Are you reading, studying and internalizing the Word for effective application, spiritual warfare and fulfillment of God's purposes through your life ?
