## Reflection Questions:

1. Think about a specific situation that you know about or are facing yourself. What is a “simple word” that you can stand on to remember God and see His will done in that situation?
2. Your testimony of what God has done for you makes you a preacher of the Gospel. This means that some people will only be exposed to the Gospel through your testimony. What are some practical ways you share your testimony with someone who needs to put their faith in Jesus?
