**5 Reasons you can trust that the bible is true and the one true word of God:**

- Historically accurate
- Scientifically accurate
- Prophetically accurate
- Thematically unified
- Has Transforming power

**Reflection Questions:**

1. Outside influences, “good” arguments and other perspectives can cause us to second guess the Bible at times. How can digging into the 5 reasons we can trust the bible help solidify your confidence in the word, guard you from deception and give you answers for the questions that may arise?
2. Why is it important to not just read the Word, but to “know” and study the Word and its history?
3. Think of testimonies you have heard or read that speak to the transforming power of the Word. Reflect on your own experiences with the Word transforming you?
